EXHIBIT "D"

**ANNOUNCEMENT BY THE ISMAILI LEADERS INTERNATIONAL FORUM, THE COUNCIL FOR CANADA AND THE TARIQAH AND RELIGIOUS EDUCATION BOARD FOR CANADA TO BE READ IN ALL JAMATKHANAS ON**

The Jamat may be aware that a volume under the name of "Kalam e Imam e Zaman", purporting to contain the texts of Farmans and Talikas of our beloved Mawlana Hazar Imam, is presently being advertised for sale by way of the internet and other media.

The LIF and the National Institutions take this opportunity to recall that Mawlana Hazar Imam has entrusted the responsibility for printing and circulating Farman texts and other Tariqah and Jamat related materials, to relevant Jamati institutions. Such material is only printed and circulated once formally approved by Mawlana Hazar Imam. The unauthorised publication, currently being advertised and sold privately, has not been produced by the Jamati institutions, and its contents have not undergone the process of review and authorisation that Mawlana Hazar Imam has established.

It is a matter of deep concern that some members of the Jamat have taken it upon themselves to publish and sell these private, protected and privileged texts of Mawlana Hazar Imam's Farmans made to his Murids and institutions. This practice constitutes a breach of the Ismaili Constitution, as well as of copyright laws, and appropriate steps are being taken to ensure that the unauthorized circulation of copies of this unauthorised publication ceases.

The Jamati institutions urge that the Jamat takes all possible measures to discourage those who seek to circulate such material privately, without approval and authorisation and in direct contravention of the process approved by Mawlana Hazar Imam.

The Jamat will be pleased to be informed that Mawlana Hazar Imam has already approved that the Jamati institutions should formally publish a volume containing the approved texts of his Farmans, including those made for the Golden Jubilee. This will be made available to the Jamat in the near future.
