

ANNOUNCEMENT BY THE ISMAILI LEADERS' INTERNATIONAL FORUM

Our beloved Mawlana Hazar Imam has authorised the Ismaili Leaders' International Forum (LIF) to inform the Jamat formally that he will visit the Jamat in France and the United Kingdom in the later part of June 2018.

At this time, alongside engaging with activities relating to the initiatives of the Imam and the Aga Khan Development Network (AKDN), Mawlana Hazar Imam has graciously consented to grant Diamond Jubilee Darbars and undertake Jamati work, respectively for the France and UK jurisdiction Jamats.

Access to the Darbars and Jamati work sessions will be for the Jamati members residing in the respective jurisdictions of the Ismaili Councils for France and the United Kingdom. Jamati members from outside these jurisdictions are respectfully requested to refrain from travelling to any centre in the expectation of being able to participate in these programmes.

As the Jamat was informed in an earlier announcement, Mawlana Hazar Imam will visit Portugal in July 2018 to undertake Jamati work for the Portuguese jurisdiction Jamat, and to attend events marking the end of the Diamond Jubilee Year.

On this happy occasion of the confirmation of Mawlana Hazar Imam's visit to France and the United Kingdom, the LIF, all Jamati institutions, and Mukhis, Kamadias, Mukhianis and Kamadianis convey warm Mubarak to the Jamat.
